REVIEW FEE			
*ESTIMATED PROJECT COST	PRELIMINARY REVIEW FEE? Preliminary Plan Reviews <u>DO NOT</u> require a review fee. Final plans shall be submitted prior to construction including separate plans, application, and fees.	ACCESSIBILITY CODE REVIEW FEE? If "NO" to Local Review (above) ADD 50% to the fire code review fee. The total accessibility review fee shall not exceed \$250.00	
The <i>Estimated Project Cost</i> includes the total value of construction work being performed covered under this application. The total value of the Sprinkler Systems, Range Hoods, Fire Alarms, & Underground Fire Mains are not included in the project cost and shall be covered under a separate submission.			
HOW TO PAY			
To auto calculate and pay the associated plan review fees online, please visit our website https://sfm.nebraska.gov/fees OR contact the Main Office at (402) 471-2027 to calculate the fee. Checks made out to the "Nebraska State Fire Marshal" can be sent into our Main Office - 246 S. 14th Street / Lincoln, NE 68508			
IMPORTANT NOTES			
If construction commences prior to the submittal of plans, a LATE FEE of \$50.00 shall be ADDED.			
Fire Alarms, Sprinklers, Range Hoods, & Underground Fire Mains shall be reviewed separately by the State Fire Marshal including separate applications, fee, and shop drawings.			
Plans that do not bear the seal of a State Registered Engineer/Architect may be in violation of state law. Contact the Board of Engineers/Architects for requirements at (402) 471-2021
