FOR IMMEDIATE RELEASE

Highway 35 Closure - Southwest of Hubbard

September 4, 2019 (Norfolk, Neb.) — The Nebraska Department of Transportation (NDOT) previously announced an unplanned closure of Highway 35. After evaluation by NDOT personnel and the contractor, it has been determined that Highway 35 must be closed for a period of time to facilitate work on the box culvert and to repair an embankment failure.

Highway 35 will be closed 3 miles southwest of Hubbard. The closure will begin on September 9 and work is anticipated to be completed in October 2019.

Traffic should follow the marked detour onto Highways 9 and 20.
