The South Sioux City Public Library is committed to providing a safe preschool education to students who live in the community and have reached age 4 on or before July 31, 2020. To secure your child’s spot in preschool for the 2020-2021 school year, please register by completing the process and described on our website: www.sscpubliclibrary.org

You will also need to provide the following documentation:

- Parent Identification
- Birth Certificate (not the hospital copy)
- Shot Records
- 2 Proofs of Residency (such as a current utility bill, lease or mortgage, R2C Registration)

To register for kindergarten for the 2020-2021 school year, children must be 5 years old on before July 31, 2020. To secure your child’s spot in kindergarten for the 2020-2021 school year, please register by completing the process and described on our website: www.sscpubliclibrary.org

- 22nd and Dakota Ave South bound lane by South Sioux City Library and Maria’s Supermarket.

We kindly ask for your patience and understanding during this process. For more information, please contact Assistant City Administrator, Oscar Gomez at 402.494.5947.
While we are dealing with all the issues we are right now, I can tell you that we are also busy doing all the work in the parks. We have been working on damage from flooding in the area of the soccer fields and green space in Scenic Park. We have repaired some of the 12 of the 15 fields that were damaged during the flood events last year. The parks are getting greener and with that the dandelions have gone. So, we have our hands full sprucing up all of the city property. We have six parks scattered throughout the city, and we are working on the sidewalk and grass areas. We have two parks that are affected by wetlands and we are killing off the dandelions to make the sidewalks safer. We have the street department working on the sidewalks and streets.

The purpose of this type of event is to clean up the parks so that they can be used by everyone. It is important to keep the parks clean and well-maintained. The park district is having its first open house this year. I hope all of you park visitors will come and see how the parks look and what we have been doing to make them better.
