Growing Community Connections has some funds from a grant. StoryWalk® is an innovative and delightful way for children — and adults! — to enjoy reading and the outdoors at the same time. Laminated pages from a children's book are set in permanent stands which are installed along an outdoor path. As you stroll down the trail, you read the story, and spend time in the great outdoors together with family and friends. StoryWalks® have been installed in 50 states and 12 countries. They are always received with appreciation. Growing Community Connections, Nebraska Children and Families, the South Sioux City Library, and the South Sioux City Parks and recreation dept. are teaming together to place one in South Sioux City Nebraska.
