

PRESS RELEASE

SOUTH SIOUX CITY FIRE DEPARTMENT - 1501 Dakota Ave. – South Sioux City, NE 68776 – (402) 494-7508 – FAX (402) 494-7599
E-MAIL: kott@southsiouxcity.org

For Immediate Release:

Date: May 18, 2021

Prepared by/ Contact Person: Captain Kevin Ott

The South Sioux City Fire Department would like to announce that the South Sioux City Fire Station is now a certified car seat install/check location. The fire department has certified personnel that will be able to assist and educate parents and caregivers on the installation, features and do's/don'ts with their respective car seats. Statistics show that over 50% of car seats are installed incorrectly. This will be a free service offered to the citizens of South Sioux City as well as surrounding areas.

We would like to announce the first of monthly car seat install events. This event will take place at the South Sioux City Fire Station located at 1501 Dakota Avenue. It will be a drive-thru style check, utilizing the fire station's drive-thru bays and will be held on **Saturday June 5th 2021 from 9:00 a.m. – 11:00 a.m.** If the garage doors on the station are open, the event is happening. If the doors happened to be closed, the crew is away at a 911 call and we'd like to ask that parents and caregivers check back the following month for another car seat install event. If there are any questions, feel free to call the fire station phone at 402-494-7508 or stop by during the install event.

Capt. Kevin Ott
