DON'T FORGET YOUR PETS

Even with a natural fur coat, winter can be deadly for your pets unless proper care is given.

Keep them warm and dry, and indoors whenever possible.

Provide plenty of food and water. Dehydration is especially dangerous in winter.

When outside, keep them bundled up. Limit outside time, and thoroughly clean (including paws) when bringing them in

Together We Transform Lives TEAMMATES MENTORING

What is the Mission of TeamMates?

The mission of TeamMates Mentoring Program is to positively impact the world by inspiring students to reach their full potential through mentoring. Tom and Nancy Osborne founded the TeamMates Mentoring Program in 1991 in an effort to provide support and encouragement to school aged youth.

What is a Mentor?

Mentors are volunteers from the community who have dedicated themselves to making a difference in the life of a young person. Mentors give youth a sense of hope, purpose and vision.

What are the expectations of a Mentor?

- Meet with your mentee about once a week at school
- Be there to show support for your mentee through thick and thin
- Focus on your mentee's strengths to build their confidence

Don't worry, we train you!

After we receive your application and process your background check, Ruth Liston will reach out to schedule your 2-3-hour new mentor training.

What is a Mentee?

A mentee is a youth, grades 3-12, who wants to have another caring adult in his or her life. The students will apply, be trained and matched with an adult from the community or school. The youth should contact someone at school or contact Ruth Liston at 402-494-7581 if he or she is interested.

What is a Match?

A match is one mentor (adult) meeting with one mentee (student) at school one time a week for 30-40 minutes. We currently have over 80 matches who try to meet weekly

Who is the TeamMates Coordinator?

Ruth Liston is the TeamMates Coordinator for South Sioux City School District. Ruth is a graduate of South Sioux City High School and worked in the legal field for over fourteen years. She has been the coordinator for the past year. Her TeamMates office is located at High School.

REMINDER ATV/UTV PERMITS

Reminder that 2023 ATV/UTV registrations are now available.

The license plate should be affixed on the rear of the ATV/UTV and the year permit sticker should be placed on the plate's top right corner.

To register ATV/UTV's, you will need to call the LEC (494-7555) and an officer will be sent to do the inspection. ATV/UTV's must be inspected yearly and permits are not transferrable. Once the inspection is complete, the officer will direct the individual to take the completed form to City Hall and pay the \$25 annual registration fee. Police and Community Service Officers will be issuing tickets to any ATV/UTV that is not displaying the current 2023 permit.
